

## YellowCatKiteboarding BOL, CROATIA SUMMER 2017.

YellowCatKiteboarding center is situated on one of the most beautiful location on the Adriatic, near the Zlatni rat on the island Brač where are ideal weather conditions (steady wind all day throughout the season - Mistral 15 - 25 kts). Large and safe beach is intended only for kiteboarding, with its infrastructure and technical support, and trained and experienced staff are the foundations on which we build a successful training for each of our students last 15 years.

To prepare you for a safe and carefree kiteboarding, at Yellow Cat we have developed various courses for students at all levels, according to their individual needs and preferences.

### **Beginners course**

- \* Kiteboarding basics (theory)
- \* Mastering flying technique
- \* Learning power kiting
- \* Kiteboarding security
- \* Bodydrag (with instructor and individual)
- \* Waterstart
- \* Stand on the board and sail away

### **Advanced course**

- \* Stand on the board and sail away
- \* Independent riding
- \* Riding upwind
- \* Jibing and curving
- \* Basic jumps

- Courses are modified accordingly to the knowledge of the students
- You can start our course every day
- The course is taking place in the afternoon depending on weather conditions
- All the equipment (F-ONE 2016) you'll use during the lesson is included

### Beach info:

**Level required:** intermediate, **Best style:** freestyle, bump & jump, **Spot type:** beach, **Shore:** pebbles, **Bottom:** pebbles, **Crowd:** crowded

**Beach rules:** No kiteboarding on the main beach "Zlatni Rat" in July and August. Only launch and land your kite at the kite school (7 Euro per day).

### Directions

Island Brac has an international airport. Bol is situated on the south side of the island.

#### **By plane**

During summer months, Bol has excellent connection with all larger European cities. Brac Airport is located only 15 kilometers from Bol. Croatia Airlines, and other European air companies offer very favourable seasonal flight schedule to both Bol and Split, since Split Airport is also close to Bol.

#### **By train, bus and by car**

Croatia and Bol have excellent highway and railway links with Europe. You can look up detailed information on arrival and road conditions on the web pages of the Tourist Board of Croatia and/or Croatian Autoclub. If you are already on Brac, you can look up everyday bus lines Supetar-Bol on the web pages of Autotrans Brac.

#### **By ship**

During summer months, ferries and boats are crossing between Split and Supetar every hour. The ride lasts one hour. You can look up more information on ferry and boat lines and schedules on the web pages of Jadrolinija.

### Weather

Brac island, Croatia, has a typical Medireannean climate - characterized by long, hot and dry summer and short, mild and wet winters. On Brac you can count with an average of 134 days of clear sky. Average air temperatures in Bol, Brac island are as follows (in °C) : jun jul aug sep oct 23 25 25 22 18 °C. Expect maximum temperatures around 30 °C in summer. Temperature differences between seasons are milder by influence of the sea which temperature is more stable, making the swimming here popular long in september. Average temperatures of the sea, from may to september are (in °C): may jun jul aug sep 18 23 25 25 22 °C.
