

## YellowCat Kiteboarding school - BOL, CROATIA SUMMER 2018.

The YellowCat Kiteboarding School is located in Bol on The Island of Brac, in the immediate vicinity of the beach 'Zlatni Rat' which is one of the most beautiful locations on the Adriatic coast. Daily steady wind throughout the season makes excellent conditions for kiteboarding. The beach on which our school is located is very safe with its infrastructure and technical support of our experienced staff who successfully trains our students for more than 15 years. Come and experience at first hand the quality of our YellowCat Kiteboarding School!

For safe and carefree kiteboarding, our school offers three-day and five-day courses for students of all levels of knowledge. The courses are tailored to your personal needs and affinities:

### Beginners course

- Kiteboarding Basics (Theory)
- Advanced Skill Management Techniques
- Getting to know the power of the dragon
- Kiteboarding security
- Bodydrag (with instructor and stand alone)
- Water start
- Gliding and basic sailing

### Advanced course

- Gliding and basic sailing
- Self-Sailing
- Sailing in the wind
- Turns
- Basic jumps

Žuti mačak, ski & surf

### Directions

Island Brac has an international airport. Bol is situated on the south side of the island.

#### ***By plane***

During summer months, Bol has excellent connection with all larger European cities. Brac Airport is located only 15 kilometers from Bol. Croatia Airlines, and other European air companies offer very favourable seasonal flight schedule to both Bol and Split, since Split Airport is also close to Bol.

#### ***By train, bus and by car***

Croatia and Bol have excellent highway and railway links with Europe. You can look up detailed information on arrival and road conditions on the web pages of the Tourist Board of Croatia and/or Croatian Autoclub. If you are already on Brac, you can look up everyday bus lines Supetar-Bol on the web pages of Autotrans Brac.

#### ***By ship***

During summer months, ferries and boats are crossing between Split and Supetar every hour. The ride lasts one hour. You can look up more information on ferry and boat lines and schedules on the web pages of Jadrolinija.

### Weather

Brac island, Croatia, has a typical Medireannean climate - characterized by long, hot and dry summer and short, mild and wet winters. On Brac you can count with an average of 134 days of clear sky. Average air temperatures in Bol, Brac island are as follows (in °C) : jun jul aug sep oct 23 25 25 22 18 °C. Expect maximum temperatures around 30 °C in summer. Temperature differences between seasons are milder by influence of the sea which temperature is more stable, making the swimming here popular long in september. Average temperatures of the sea, from may to september are (in °C): may jun jul aug sep 18 23 25 25 22 °C.
